Brad,

A detailed version of the Museum's 2007 budget is not available to the public, however there is a summary in our records on file with the Scientific and Cultural Facilities District.

Laura,

Thank you for your timely response. I will have my attorney take a look at this and may have some follow-up questions.

In the meantime, however, I would like to know if I can get a copy of the museum's budget for the current fiscal year. Is this information that is available to the public?

Thanks, Brad
