Subject: EMERGENCY LEGISLATIVE CONTACTS - IMMEDIATE ACTION
NECESSARY!!

All,

Thanks to everyone who has been making legislator contact over the past few weeks. Although we have identified a number of co-sponsors at this point, we need more if we hope to be successful in getting additional funding for trauma and EMS in Colorado. The deadline for co-sponsor sign up for the 2009 legislative session is December 29, 2008, so your help is needed immediately!

Attached is a list of legislators, with those who have not committed to sponsor the Increase Motor Vehicle Fee for Emergency Medical Services bill, highlighted in yellow. Please note the instructions at the top of the list as following this process will help us track sponsors and ensure statewide coverage. Please contact any legislator identified in this list as being un-committed to supporting this initiative AS SOON AS POSSIBLE. Our goal is for EMTS stakeholders to make these calls no later than December 24, 2008.

If we are to be successful in this important effort, the momentum and incentive for our elected representatives to vote yes for EMTS must come from our statewide community. Please take a moment to make a call.

If there are any questions, or need for additional information, please feel free to contact Jesi Dobosz or me at any time. Thank you for your help.

Randy
