

ALI HASAN
Candidate,
House District 56

Hasan's Letter:

The dialogue in Denver must change. Colorado introduced Referendums C & D and T-Rex when I-25 faced congestion, but when I-70 faces congestion, they suggest toll booths. I promise to introduce legislation calling for a bullet-train to be built, forcing the the dialogue in Denver to change.
- Ali Hasan

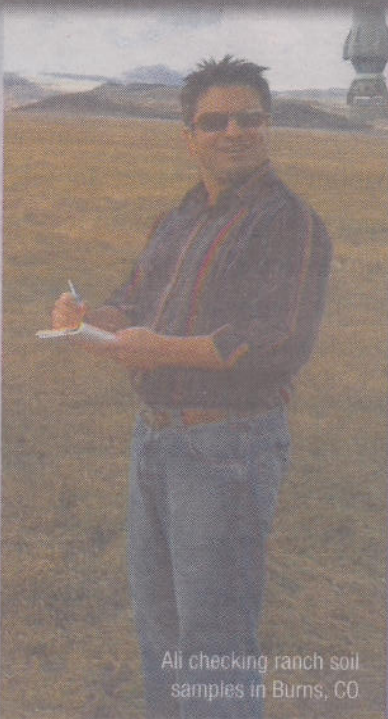

HASAN'S PROMISE:

- Introduce Legislation To Build A Bullet-Train From DIA to Gypsum
- Pay with Private Municipal Bonds, Relieving Taxpayers
- Pressure CDOT To Build More Exits
- Kill Toll Booth Bills

About Ali Hasan -

Born on July 4th of 1980 in Pueblo, Colorado, Ali moved to the Western Slope when he was 11. Ali served as a public school tyro-teacher from 2001 to 2003, where he taught 10th grade English in an economically-disadvantaged public school. Ali also served as an environmental scientist, researching reports that were presented to State officials. Ali currently owns a small business, Rabia LLC, based in Eagle County. He is an avid snowboarder and lives with his dog, Deelya.
